

Done:

- Heman: Map API Integration, Map UI is on the Page.
- Ishneet: Worked on integrating Trefle API, but the API documentation has been very buggy.
- Johnny: Working on storing the Forum in static JSON and Forum API.

Planning Stuffs:

- Ishneet was sick over the weekend
- Planning on having a full scrum meeting on backend and discussing how to do backend.

TODO:

- Heman: Need to figure out how to do pins and how that interaction works at this point. Will work on this after the next exam.
- Ishneet: Finishing integration by Thursday hopefully.
- Johnny: Finishing integration by Thursday as well. Dummy implementation possibly with static JSON
