

Done:

- Ishneet:
  - Each Page HTML + CSS complete
  - All functional Navigation

Planning Stuffs:

- All PRs made Thursdays (Today is because last scrum was async)
- This meeting pulled up to 6:45

TODO:

- Convert to React
  - Ishneet will delegate components tomorrow (02/04)
- Set up HTTPS on site (Heman)
- Ideal Timeline:
  - By Next Monday: Finish React Conversion
  - During Next Week: Integrate API
- Test Trefle API (Heman, Johnny)
- Heman will commit scrum logs + open PR, Ishneet to Merge
