

#### Done:

- Ishneet: I got Trefle API to work and finished a basic implementation of the page (with a table of the plant name, image, and family name)
- Heman: Still working on the map api interactivity with volunteer sign up form
- Johnny: Still working on the discussion forum

#### Planning Stuffs:

- Still to work on the sign in functionality
- Presentation:
  - 5 minute slides, 5 minute demo

#### TODO:

- Heman: Finish Map/SignUp page so that clicking a location will open up an event
- Ishneet: complete plant info page and check consistency for application
- Johnny: Finish the forum backend functionality
- Presentation Slides for Midterm:
  - Intro (Purpose)
  - Things 100% Done
  - Things In Progress
  - Wireframe
  - DEMO
  - Future Plans
    - Backend Stuff
  - Questions
