

Done:

- Heman:
 - Kanban Board Created & Team Invited
- Ishneet:
 - Basic IA Setup
 - Home Page Begun

Planning Stuffs:

- Scrum schedule is Mondays and Thursdays. Today's scrum is 1 day delayed due to Heman and Ishneet's schedule conflicts yesterday.

TODO:

- Populate Kanban Board during next scrum (Thu)
- Convert entire application to React (This weekend)
 - Heman & Johnny (Ishneet is busy)
- After next Monday:
 - Begin Map API Integration (Heman & Johnny)
 - Continue Page Implementations (Ishneet)
