Done:
- Presentation and Sprint Retro
- Kanban was populated
- Heman worked on code restructuring over break… navigation is okay, but there are some issues linking stylesheets and scripts. Once that is done, he will make a PR
- Ishneet and Johnny enjoyed their break with no work!!

Planning Stuffs:
-

TODO:
- Heman will make a PR by Wednesday to merge restructuring commits
- Thursday's scrum will be planning MongoDB stuff
    - Ask Callahan about timeline
- Long Term Stuff:
    - Heman will fix the optimization issue at some point (not a top priority)
    - Convert all local data to MongoDB
        - Discuss whose MongoDB we will end up using
